„Hilfe an Kindern durch Mütter“ in Addis Abeba: (Help for children through mothers)

Team:

- Lety
- Elyse
- Mena

- Kindahafti
(She is part of the program)

Ilanga in Ethiopia 2017:

- 18 women with 26 children in the program, starting businesses during 2017
 - 6 mothers with 9 Kinder became independent, managing, running their businesses without further support (payback)
 - 3 mothers attended external “Basic Business Trainings”
- Uncountable psycho-emotional support and follow-ups, business, material, medical and school support
- Experience exchange meetings with women of the program
- Local support was found with Shayam Kassee
 - organizing special days for children
 - donating to ilanga
- Local network building with “Selam Childrens Village” and international Programs
 - for trainings and knowhow-support

Ilanga in Äthiopien 2017:

- Support and training given to Alex who runs a wood-workshop and is helping “street boys” by feeding and giving them work, education in carpentry and making sure they attend school
 - Practical training by Richi (2 weeks) for Alex
- Direct and indirect other project support
 - Sunray Candle
 - Gidole (School and Hospital)
 - Project visits and material support during “ilanga project travels” (STB, schools in Debark and Gidole, Hawassa, Addis; daycare in Addis and Hawassa; women projects; hospital)
- Note: Even with average business, it takes some time for the businesses to become profitable. Therefore there is a need to support these families in basic needs for few months until their businesses become sustainable.
